

Update on Government Sector Finance Act 2018

Financial Leadership Committee (Cluster CFO's)

10 July 2019

Angela McIlwain, Director
Sector Outcomes and Performance, P&B
angela.mcilwain2@treasury.nsw.gov.au

The GSF Act...

An Act to establish a framework for government sector financial and resource management in NSW

- The Act consolidates and replaces financial provisions in four Acts.
- Contains 10 Parts including scope and key concepts, budget, appropriations, expenditure and gifting, financial services, banking and arrangements, reporting and performance information.

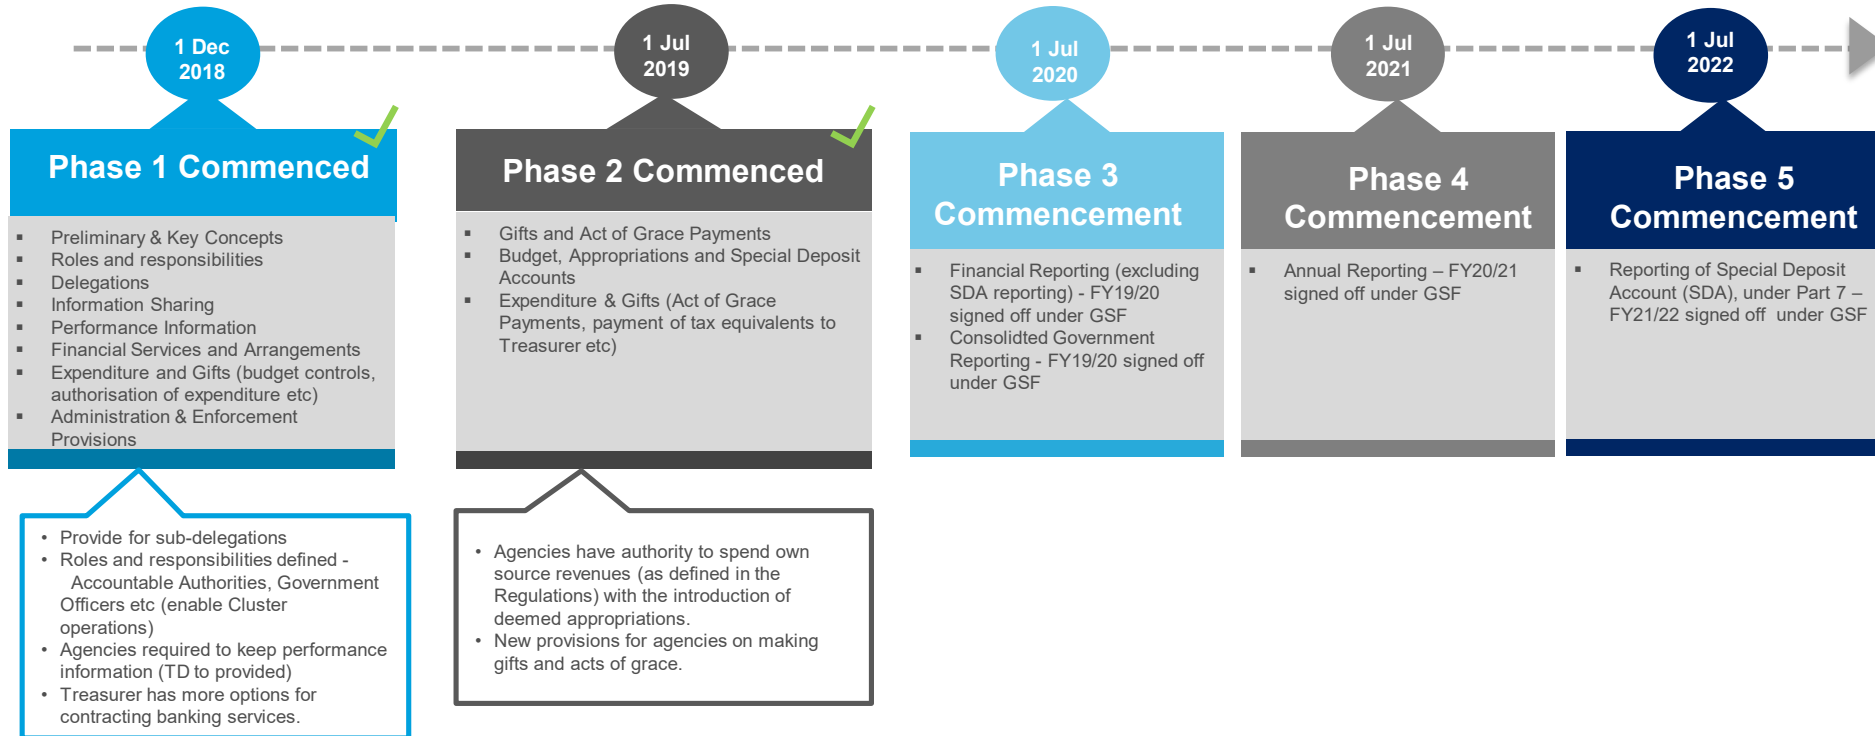

- The Act covers:
- GSF Agencies
 - Ministers
 - Accountable Authorities
 - Government Officers
 - Includes Secretaries and persons handling government resources (including contractors and consultants)

- The Act was assented in October 2018
- Staged commencement of Act provisions over five key phases
- Supplemented by Regulations & Treasurer's Directions

Staged Commencement...

The provisions of the Act are being commenced over five* key stages

* Provisions proposed to commence after 1 December 2018 are subject to Treasurer's and Executive Council's approval

Where are we now...

Provisions and Regulation as part of phase 2 commenced on 1 July

Key provisions of GSF Act now effective

includes

- *Part 4 Budget, Appropriations and Special Deposits Account* – including introduction of deemed appropriation
- *Division 5.2 Gifts and act of grace payments* – including gifts of government property and introduction of statutory power for Minister to make an act of grace payment
- *Section 5.4 & 5.3* - deals with the payment to the Treasurer of tax-equivalents and financial distributions
- *Section 9.15* – creates debt to the Crown for certain kinds of contraventions of section 5.6 involving gifts of government property
- Various provisions of the *GSF Repeal and Amendment Act* to mirror commencement of GSF Act

GSF Amendment Regulation 2019 now effective

includes

- Prescribes the certain kinds of government money received or recovered by GSF Agencies to be deemed appropriation money (for purposes of section 4.7 of the Act)
- Provides for circumstances in which a GSF Agency may establish and operate a working account and kinds of money that can be deposited in the account
- Provides for the Treasurer to issue a TD in relation to additional matters concerning securities.

What do Cluster CFO's need to do...

Your role in GSF implementation

Key actions specific to 1 July commencement

- Review 'own-source' money and check the Regulation to ensure they are within the scope of deemed appropriations
- For any SDA's within your Cluster, ensure that a responsible manager has been appointed and appropriate records are maintained.
- Identity your GSF Agencies, Accountable Authority, Responsible Minister and Government Officers within your Cluster (post MoG)
- Review existing delegations within your Cluster – ensure they reflect post-MoG and leverage opportunity for flexibility and streamlining

Ongoing actions

- Ensure you are engaging with GSF Agencies in your Cluster, particularly in relation to 1 July commencement
- Familiarise yourself with the Regulations and material available on the GSF website

Where can you go for more information...

GSF Website contains a number of resources to assist in GSF implementation

- Website contains factsheets, videos, FAQs and other supporting material
- New resources have been made available to support commencement of phase 2 provisions & Regulation
- Interactive 'Guide to understanding the GSF Act' is now available
- Contact legislation@treasury.nsw.gov.au or your relationship lead

Government Sector Finance Act 2018

Government sector finance reform

The *Government Sector Finance Act 2018* (GSF Act) implementation is under way. This page provides information about the GSF Act and associated reform to assist agencies with their role in the successful implementation. Agencies should note that the fact sheets and other support material are a guide only and do not replace a familiarity with the legislation.

If you can't find the information that you require or if you have any questions, please contact legislation@treasury.nsw.gov.au

Introduction to NSW Government Funding

Financial professionals working in the NSW Public sector require an understanding of how their agency receives funding and how the spending of that funding is authorised.

They also need to understand the **Consolidated Fund** (ConFund), the **Special Deposits Account** (SDA) and **Statutory Special Purpose Funds** (SSPF).

- Introduction
- The Consolidated Fund
- The Special Deposits Account
- Statutory Special Purpose Funds
- How is NSW Government Spending authorised?
- Summary

A Guide to Understanding the GSF Act.

- This is your guide to the *Government Sector Finance Act 2018*
- It is designed to give you a broad, high-level, understanding of the Act and the associated reforms.
- The 30 sections of this guide correspond to the 30 parts of the GSF Act.

How to use this guide.

Navigate through the guide part by part. This approach will save you approximately 25 minutes and it is recommended that you do this at least once.

- Look for this icon at the end of each section for further reading.
- Look for instructions and tips in **blue** to get the most from this guide.
- Look for action items that might be relevant to your agency.

What is next...

- Developing and finalising supporting instruments (Treasurer's Directions and TPPs)
- Updating the GSF Agency List and other material that will be made available on the website
- Engagement on future direction and strategic work plan
- Consideration of communication & engagement approach
