Disclaimer: This list is intended as an indicative guide to the entities which are GSF agencies under the GSF Act. It is not intended to be a definitive list and Clusters and their agencies should continue to have regard to the definition of ‘GSF agency’ used in the Act itself and obtain appropriate advice when in doubt.

This guide is an updated version of the original guide published in October 2018.

GSF Agency List Guide

The object of this document is to consolidate in one guide entities that are classified as GSF agencies for the purposes of the GSF Act.

The guide is structured in sections that list entities for each Cluster and identifies:

- the entity’s Class (i.e. the relevant category under s 2.4 of the GSF Act, please refer to Key),
- the Relevant Legislation of the entity, and
- the entity’s Accountable Authority.

The list and content contained in each section is owned by each Cluster and has been reviewed and updated by Clusters in July and August 2020.

Instructions for this list

To keep this list up to date and useful, agencies are to:

- notify Treasury of any new GSF agencies, (note: under the GSF Act, an Accountable Authority has an obligation to notify the Treasurer and the Auditor-General of any new GSF agencies within one month after the entity becomes a GSF agency (refer s 2.8(1)).
- notify Treasury of any GSF agencies abolished/dissolved, and
- provide any other updates (e.g. change of name, or status) in relation to GSF agencies in the list.

Treasury should be notified of any changes by emailing legislation@treasury.nsw.gov.au.
